

Meshell R. Baker

Chief Confidence Igniter

IGNITING CONFIDENCE TALKS & WORKSHOPS

@meshellrbaker

Thank you Meshell for an inspirational and hands on seminar in Victoria, BC Canada. I loved your encouragements to be our best selves , not worry about perfections, and keep going forward. You model being your best self, learning as you go, and trusting your higher power to share your gifts.

Grace Gerry | Counsellor | Graceful Solutions

SIGNATURE TOPICS

Unleashing Your Sales SuperPowers

This session will empower you to stop secretly wishing you could deliver top-performing sales results. Clearly understand what it means to be consistently confident and have an increasing prospect pipeline. Learn how to unleash your Inner Sales SuperPowers and create repeatable and sustainable sales success.

Key takeaways from this session:

- Replace your inner critic!
- Repurpose your mistakes!
- Reignite your sales results!

Ditch The Imposter & Debut Your Champion

This session will confront the feelings of being found out and not belonging. Stop secretly wishing you could be someone else or have a different life. Clearly understand what it means to be internally motivated and externally focused. Learn how to develop your Inner Champion and create the epic success you've been dreaming of.

Key takeaways from this session:

- Embracing uncertainty & discomfort!
- Energy refocused and reclaimed!
- Expand your influence & income!

Empowering Excellence: Workplace Confidence

This session is suited for organizations and teams wanting to develop a culture of radical responsibility and creativity that delivers results. Learn how to encourage and engage people, develop problem-solving skills, handle conflict, and strengthen relationships with employees, team members, and key players.

Key takeaways from this session:

- Engage in empathic dialogue!
- Empower influence & advocacy!
- Resign as Chief Problem Solver!

Customized based on the needs of the conference organizer, the geographical location, and demographics of the audience. Meshell adapts and delivers incredibly effective and highly interactive presentations and workshops for your team/employees..

Audiences leave inspired to reimagine ways to surpass their wildest expectations and with an expanded understanding of the key and easily implemented tools for success.
